WARWICKSHIRE COUNTY AA and WORCESTERSHIRE AA
Annual Cross Country Championships
Saturday 7th January 2017 at Newbold Comyn, Leamington Spa

FOREWORD and WELCOME
by Ray Morgan, President of Warwickshire County AA.

I would like to welcome all of the athletes from Warwickshire and Worcestershire to their 2017 County Cross Country Championships and wish you all a competitive and enjoyable day of racing.

An event such as this cannot happen without a number of people offering their time and effort to pull it all together beforehand and then manage it on the day. I am sure you will join me in thanking Sarah Wadsworth, Alan Edwards, Alex Montgomery and the team at Leamington Cycling and Athletics Club for hosting the event. The C&AC has hosted a number of cross country races, including County and Midland Championships and they are always very welcoming and very efficient.

Thanks also to Maurice Endacott of Worcestershire and Katie Lea and Graham Heeley of Warwickshire for their very significant contributions. I hope the many other officials and volunteers who are equally as important don't mind me singling them out.

A number of technical officials and volunteers are listed on the next page. These people are not only helping today but will probably have officiated and volunteered at a large number of events throughout the season. If you get chance to show them your appreciation then please do because they are the foundation stones of our sport.

Enjoy the day.

Ray Morgan
President Warwickshire County AA

The organisers of the Championships thank Coventry Runner for its support for our sport in general and these Championships in particular which is very much appreciated.

**** The rules for the senior age groups are different for the two Counties.

Warwickshire: have separate individual and team awards for seniors and masters. The women count 3 and the men count 4 towards the team awards. Masters are 35 and over.

Worcestershire: have separate individual awards for seniors and masters but a team award for the combined age groups. The women count 3 and the men count 6 towards the team award. Masters are 40 and over.

TEAM SELECTION for INTER-COUNTY CHAMPIONSHIPS

Today's Championships are the principal criteria for selection to the Inter Counties Cross Country Championships (all age groups) to be held at Loughborough on Saturday 11th March 2017.

If you are handed an invitation form at the finish, it is important that you fill it in and return it today. Athletes who are not automatically selected but who would like to be considered for selection should tell the team managers before the end of January.

For Warwickshire: The first three eligible athletes to cross the line in each race will automatically be selected and then the remainder of the team will be chosen by the team managers. The County reserves the right to disregard any athlete, even if they qualify automatically, if they have been disrespectful to the County or its team managers in the past.

For Worcestershire: The first six eligible athletes to cross the line in each race will automatically be selected and then the remainder of the team will be chosen by the team managers.

RESULTS

Results will be posted on the Warwickshire Facebook site race by race and the two county web sites as soon as possible after the event

PROSPECTUS & RULES

- Age Groups** These Championships generally use the same age group definitions as the Birmingham (Mens) Invitation Cross Country League, the Midlands (Ladies) Cross Country League and the West Midlands Young Athletes League. U13 must be at least 11 years old on the day of competition. Warwickshire Masters should be 35 or older on the day of competition. Worcestershire Masters should be 40 or older on the day of competition. Masters and U20s can enter their own age group or as a Senior but will only count towards the individual and team events as declared on the entry form.
- Eligibility** Do not enter this event unless you are eligible for your County. County qualification is either by birth in the County, by 9 months continuous residence prior to competition in the County or by 9 months service in a unit of HM forces stationed in the County. The Counties are as defined before the 1974 boundary changes. Check with a County Secretary if you are not sure. Warwickshire includes most of the Greater Birmingham area, Coventry, Solihull and the present Warwickshire areas. Worcestershire takes in Stourbridge, Dudley, Oldbury and South Birmingham.
- Clubs** Athletes must be current first claim members of the Club for which they have entered.
- Rules** Only Clubs Affiliated to their County will be eligible for team awards. Only first claim athletes are eligible to score in team competition. Any number of eligible Athletes can be entered. The event is run under UKA rules. Athletes are reminded particularly of rule 21.1.a which forbids pacing by persons not participating in a race unless assisting a blind or partially sighted runner And rule 21.1.c which forbids the use of any technical device such as any device which requires earphones.
- Awards** In events where age groups are combined, athletes will only be eligible for awards in the race category (age group) for which they have entered. In the case of equal team scores, the first team to cross will be declared the winner. Please note that B-teams are not eligible for Team Awards as this is an event for Clubs.
- Worcestershire Or Warwickshire?** To help you identify the athletes from each County, in each race, athletes from Worcestershire will have the lower series of numbers whereas athletes from Warwickshire will have the higher range of numbers. The Worcestershire bib numbers will have a coloured band but Warwickshire athletes will not. Worcestershire athletes will wear a "Worc" on their backs.
