

WARWICKSHIRE COUNTY CROSS COUNTRY CHAMPIONSHIPS

7TH JANUARY 2017

REQUEST FOR OFFICIALS.

Warwickshire are this coming January hosting a joint Cross Country championships with Worcestershire and it is Warwickshire's turn to supply most of the officials for the event and I am sure the County endurance officials would wish to support these events.

The venue is Newbold Comyn, Leamington with an approx 11-15am start on Saturday 7th January. There is a full range of events throughout the day.

I am now in the process of recruiting officials to cover this event.

To this end I have e-mailed all Level 2, 3 & 4 Warwickshire Endurance officials and presently we are well short of numbers.

There are a large number of level 1 officials registered in Warwickshire (Sorry but I have no e-mail address) which I hope will respond to this request and offer their services to support the day.

Please remember without the required numbers of officials we have no competition so please lend your support for Saturday 7th January 2017.

If you are available to support the event then please e-mail me on heeley@f2s.com giving you name and which duty you would wish to undertake.

Thanks in anticipation

Graham Heeley
